COMPLAINT

I am writing to file a complaint of potential violations by Ending Spending Inc. of 2 U.S.C. 434(c)(1), 2 U.S.C. 434(b)(3)(A) and 11 CFR 109.10(e)(1)(vi) pertaining to required 24 hour reporting of donors by a 501c4 entity engaged in independent expenditures. Ending Spending Inc is a 501c4 entity, FEC Committee # C90014697.

Specifically, we believe there has been a violation of this requirement that it report its donors to the public:

"The identification of each person who made a contribution in excess of \$200 to the person filing such report, which contribution was made for the purpose of furthering the reported independent expenditure."

FACTS

According to Federal Election Commission filings (attached), Ending Spending Inc, (expended \$1,565,530 to make independent expenditures in an effort to influence the outcome of the Republican Congressional primary in Nevada's 3rd Congressional District being held this coming Tuesday on June 14, 2016.

According to 2 U.S.C. 434(c)(1), 2 U.S.C. 434(b)(3)(A) and 11 CFR 109.10(e)(1)(vi) pertaining to required 24 hour reporting of donors by a 501c4 entity engaged in independent expenditures, the following disclosure is required:

"The identification of each person who made a contribution in excess of \$200 to the person filing such report, which contribution was made for the purpose of furthering the reported independent expenditure."

Despite the size of this extraordinary expenditure, Ending Spending Inc. did not disclose a single donor on the attached 24-hour reporting form. It begs belief that this committee expended \$1,600,000 in a Republican primary without a single donor having given for the purpose of this independent expenditure.

Sincerely,

Danny Tarkanian
